CALOR

Andalusia can't be explained. It must be lived, felt. And what better way to do so than through its colours, those capable of taking us on a journey, making us dream, think, create and live based on imagination as stimulating as it is rich.

That's the colour at Pattio. That authentic and powerful colour root. Only they could turn a furniture collection into something personal, natural and exceptional.

Andalucía no puede explicarse. Debe vivirse, sentirse. Y qué mejor forma de hacerlo que desde sus colores, esos capaces de llevarnos de viaje, hacernos soñar, pensar, crear y vivir a partir de un imaginario tan estimulante como rico. Eso es el color en Pattio. Esa raíz de colores auténtica y poderosa. Sólo ellos podían convertir una colección de mobiliario en algo personal, natural y excepcional.

L'Andalousie ne s'explique pas. Elle doit être vécue, ressentie. Et quelle meilleure façon de le faire qu'à travers ses couleurs, celles capables de nous faire voyager, de nous faire rêver, penser, créer et vivre d'un imaginaire aussi stimulant que riche. C'est la couleur de Pattio. Cette racine authentique et puissante des couleurs. Elles seules pouvaient transformer une collection de meubles en quelque chose de personnel, de naturel et d'exceptionnel.

Andalusien kann nicht mit Worten beschrieben werden. Man muss es einfach erleben und empfinden. Und was könnte sich dafür besser eignen, als die unser Land prägenden Farben auf sich einwirken zu lassen. Denn Farben schicken uns auf Reisen, lassen uns träumen, machen uns nachdenklich und regen unsere Kreativität an. Sie führen uns in eine Welt der Fantasie, die anregend ist und unser Dasein bereichert. Bei Pattio finden Sie all diese Farben. Es sind unverfälschte Farben mit machtvoller Leuchtkraft. Es sind diese Farben, die unserer Möbelkollektion eine natürliche, ganz persönliche und außergewöhnliche Note verleihen.
